

Seventh

June 2 - June 5, 2009
San Cristóbal, Venezuela

Latin American and Caribbean Conference for Engineering and Technology

Energy and Technology for the Americas: Education, Innovation, Technology, and Practice

LACCEI 2009

www.laccei.org

San Cristóbal, Venezuela

June 2 - June 5, 2009

Papers are accepted in English,
Spanish, Portuguese, and French

Important Dates:

Full paper [for Presentation and refereed publication]: Jan 31, 2009

Extended abstract [for Poster presentation and abstract publication]: Jan 31, 2009

Notification of acceptance: Mar 1, 2009

Hosted by:

Universidad Nacional Experimental del Táchira-UNET

Organized by:

Latin American & Caribbean Consortium of Engineering Institutions

Conference topics include but are not limited to:

Engineering Education

- Accreditation
- Curriculum Improvement
- E-learning and Distance Education
- Engineering Entrepreneurship
- Enhancing Undergraduate Education
- Joint Degree and Certificate Programs
- Outreach Programs
- Technology for Teaching and Learning
- University Management
- Extracurricular activities to develop professional competences
- Interchange programs
- Internships, University – Industry Relations

Engineering Technology

- Biotechnology
- Construction Engineering
- Energy
- Engineering Design
- Engineering Infrastructure
- Engineering Innovation
- Engineering Materials
- Environmental and Sustainable Engineering
- Industrial Engineering
- Information Technology
- Natural/Technological Hazards
- Technology and Society
- Telecommunications
- Mechatronics

Engineering Practice

- Construction Management
- Entrepreneurial Engineers
- Engineering for the Americas
- Government-Industry-University Relationship
- Internationalization & Globalization of Engineering
- Production Management
- Project Management

Important Dates

- Paper submission:
- Notification of acceptance:
- Submission of final paper:

January 31, 2009

March 1, 2009

March 30, 2009
